Lanier: A Storehouse of Treasures

Lanier has, in its five years of existence, served to store numerous treasures for its students. Each year the students carry with them not only an increased knowledge of their courses, but also a deeper knowledge of responsibility toward social and civic life. Treasured friendships and treasured memories of success and disappointment are found in school life, and the 1966 Viking presents these treasures of Lanier.

The 1966 Viking is dedicated to the Lanier Senior-Junior High School in its last year of combined operation. This building has served as a storehouse for the treasures which play a vital role in the formation of a student's character.

Mr. Fred H. Matthys Principal of Lanier Senior-Junior High

Mr. Fred H. Matthys has been our principal since Lanier High School opened. He has worked toward the goal of making Lanier outstanding in all fields. Mr. Matthys supports enthusiastically not only the scholastic program but also extracurricular activities.

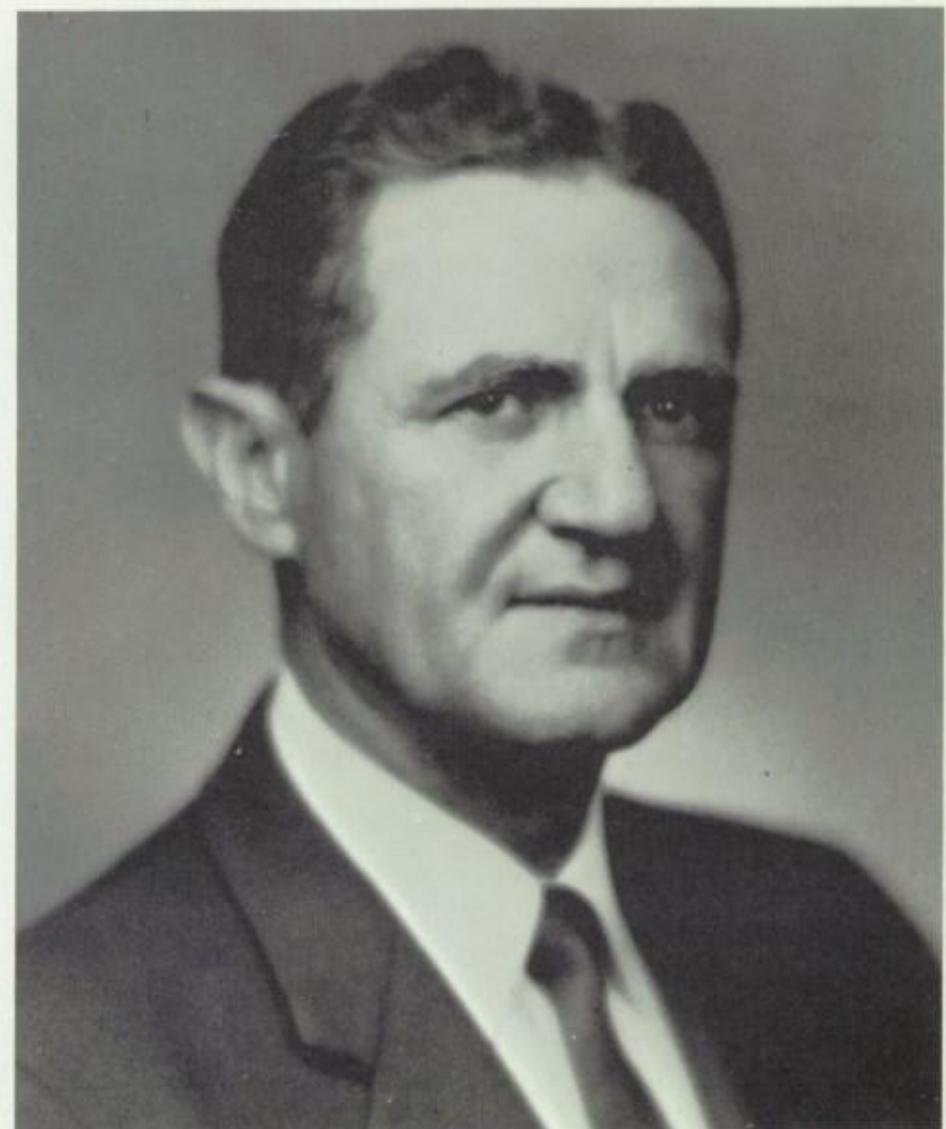

Mr. Matthys proudly places all tokens of student accomplishment in the crowded trophy case.

Mr. Forrest Kline Assistant Principal of Lanier Senior-Junior High

As assistant principal, Mr. Forrest Kline performs a myriad of tasks, many of which receive little recognition. However, neither students nor other personnel fail to recognize Mr. Kline's willing and able "helping hand".

D.Z.K. Members Attend Convention

The Lanier German Club was formed for students studying the German language. It is named for the German comedy *Der Zerbrochene Krug*, by playwright Heinrich von Kleist. The name means "the cracked mug or stein" and suggests the club emblem, a German beirstein.

The Christmas season brought the annual D.Z.K. banquet at Chariot Inn. The club also collected food and gifts for a needy family as a Christmas service project.

The yearly Texas Association of German Students Convention was held this year in Lubbock, at Texas Tech. To raise money for the trip, the club brought the U.T. Olympic Weightlifting Team to Lanier. On April 2, thirteen D.Z.K. members traveled to the convention.

To end the year, the second year German students were treated to a picnic at the Dolman's house and officers were elected for 1966-67.

Lanier Latin Club

The Lanier Latin Club is designed to further an interest in the Latin language and Roman history. Viewing slides of ancient Rome, a Christmas party and an end-of-school party highlighted the activities of the year. Club members also participated in the city-wide Latin Banquet held at Travis High School. At the final meeting a slave auction was held and first year students were auctioned off to second year students to serve as slaves for the day.

Literary Club

The Literary Club, sponsored by Mrs. Dorothy Hutchison, was founded this year to foster interest in writing and literature. The members also undertook the task of screening material for, and publishing, the magazine, *Skalds*. During the year the club has had two distinguished authors speak to them: Mrs. Burt Smith, authoress of *Nothing But a Cry*, and Winston Bode who wrote the currently popular *Portrait of Pancho*.

Orchestra Wins Sweepstakes

The orchestra at Lanier, sponsored by Mr. Jay Dunnahoo, functions as an organization which plays and studies music of the classics plus music of lighter veins. They presented numerous concerts and assemblies during the year, some in association with the Lanier Choir.

The Lanier Orchestra was the only orchestra rated first division by every judge in the University Interscholastic League Concert and Sight Reading contests. For the first time in Lanier's history, students earned membership in an all-state music organization. Danny Williams and Carolyn Bobo distinguished themselves by securing a place on the All-State Youth Orchestra.

The Lanier High School Orchestra officers were President, Cathy Meier; Vice-President, Sandy Ratliff; and Secretary-Treasurer, Vicki Slade.

Photo Club

Photoclub was organized and designed to interest students in the field of photography as an art form rather than just a "record taking" activity. Pan American Club

The Pan Am Club's objective is to encourage a respect for and an understanding of all nationalities in the Americas based on a more thorough knowledge and appreciation of the peoples of all the countries of the Western Hemisphere. Members of this year's club attended the annual convention in Austin where they heard speakers from various Spanish-speaking countries who made clear the need they have for our help. Lanier Student Council

The student council of Lanier High School has proved itself to be the organization that holds the school together in purpose, spirit, and activities. Through the years the student council, sponsored by Mr. Forrest Kline, has tried to represent the student body of Lanier in the school, city, and state.

The 1965-66 Council sponsored the annual Homecoming Dance with the presentation of Homecoming Queen and Princesses in the fall. The Christmas Dance, Western Day, Howdy Books, Western Dance, and the presentation of Lanier's Friendliest and Class Favorites were all sponsored by the Student Council.

Academically, two \$150.00 scholarships were given to deserving seniors to further their educations. Participation in the Inter-City Student Council included a system of having visitors from other student councils come to Lanier meetings. A project to have a Viking shield on the new Lanier High School gym floor was started by the Lanier Student Council of 1966-67.

Valkyries

Promoting school spirit, marching with the band, ushering at civic functions, and selling spirit ribbons are a few of the many services performed by the Lanier Valkyries.

Each year this organization gives a service award to the member who has served the most hours for the school.

Members of the Valkyries are junior and senior girls who have at least a B average, have passed a marching test, and have received a good recommendation from their teachers.

This year a new club was added to the many already existing at Lanier. The Young Americans Club, sponsored by Mrs. Alice Davis and Mrs. Jean McMillan, was organized to promote interest in the field of social studies. This year the club had both junior and senior high school members.

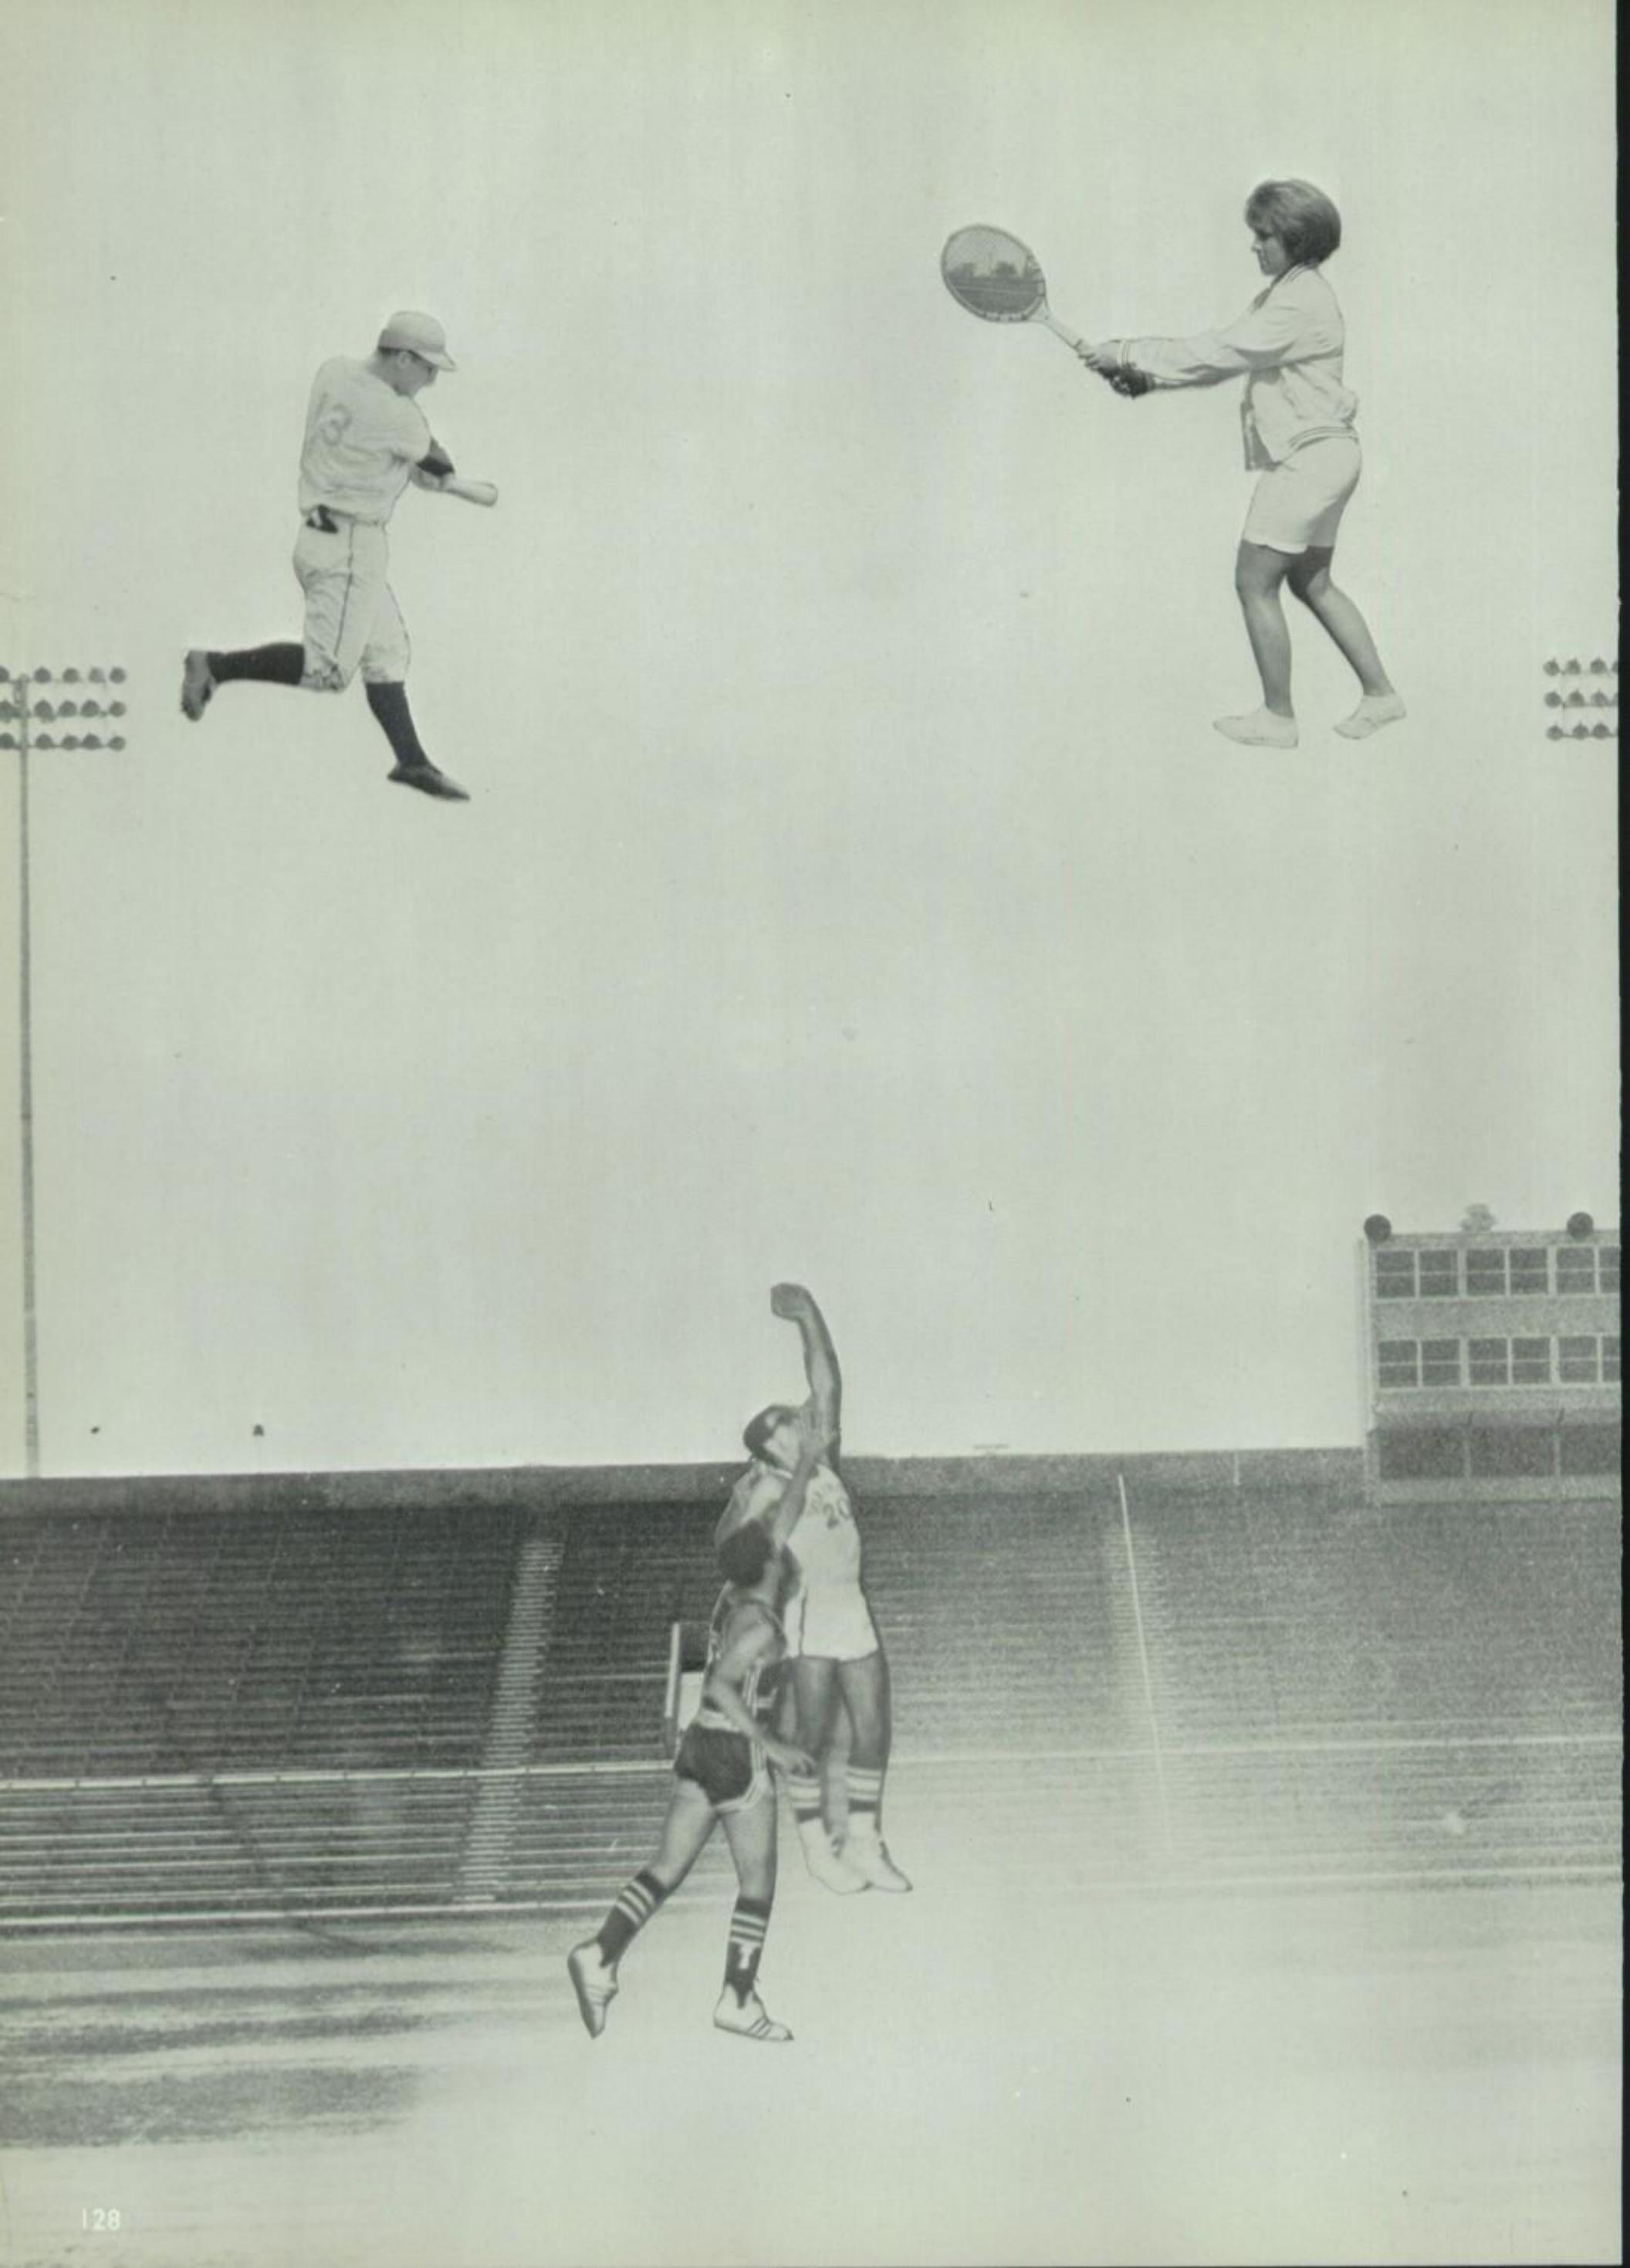

Activities of the club this year included guest speakers, whose topics ranged from the pyramids of Egypt to Austin's park and recreation facilities. The club also took field trips to Gardner House and to the French Legation.

After the first seven minutes of the Seguin game, Lanier climaxed a drive when Randy Peschel threw a touchdown pass to Stanley Thomas, which ended in a 40 yard scoring play. Six minutes deep into the second quarter, Peschel again ran 45 yards for a touchdown with the point after try being successful. This made the score 19-0. The 1966 Basketball Sweetheart
CRICKET BRANCH

The Lanier basketball team launched a successful season with five straight victories. This beginning was sustained as the Vikings marched past many opponents to secure a second place berth in District 13AAA. The Vikings' only district losses were to Belton, the district champion, and in one round to Gatesville.

Other 1965-66 highlights included winning second place in the Lampasas tournament and setting a new game scoring record of 96 points against LaVega. To round out the honors David Smart was selected as a member of the all-district team.

The Gold-White game at the season's end prophesied a bright future as the juniors defeated a strong team of graduating Vikings.

Lanier students will treasure those Friday morning gatherings known as Pep Rallies. The cheerleaders, band and Vikettes were there early to practice and prepare for the rest of the student body. At 8:30, the gym was filled with yelling Vikings, Battle-cries, drum cadences, and "Fight" mingled with the new "School Yell" and old favorites such as "Stomp Clap" . . . In the afternoon, the band marched down the halls playing the "Fight Song" to complete the big day.

Also new was a halftime show put on by the boys in the Viking Band. These things, along with the usual excitement, helped make the affair a big success for all.

A special Christmas assembly featured the Vikettes dancing to "White Christmas" and "Here Comes Santa Claus."

Vikettes Dance — Add to Spirit

For their second year in existence, the Vikettes added satin derbies to their uniforms. They performed at several pep rallies and during half-time of Friday home basketball games. In March, the Vikettes, under the direction of Mrs. Gayla King, sponsored the Sports Coronation. The coronation and other dancing added to the hoard of Viking spirit during the '65-'66 year.

Halftime at home basketball games found them dancing.

High kicks were a Vikette specialty.
